### JANUARY 2011 STUDENT OF THE MONTH

DAKOTA ATKINSON

Dakota has been attending The Karate University for almost a year. He is currently a green belt and is working toward earning his blue belt. During the short time he has been in Karate, he has become more focused and self-confident. In addition, it has helped him develop leadership skills and public speaking skills.

At school, his teachers praise him on always being on time, his manners, and having a positive attitude. He is an A/B honor roll student at school; for which he takes pride in. His favorite subject in school is history and like to watch movies that pertain to this.

Dakota enjoys spending time with his friends and family. He is always willing to help others. He likes to ride his bike, play games, and drive his Grandpa's John Deere Gator.

I am blessed to have Dakota as a son and extremely proud of him. I am very thankful to Mr. Burlison and Mr. Nuttall for the patience, encouragement, and commitment they provide to Dakota and all the other students. Keep up the great work Dakota!

## TESTIMONIALS:

### JAMES BASHAM

This is James' first year in Karate and he is working towards his green belt and beyond with enthusiasm and serious dedication. We receive compliments regularly on James' respect, and good behavior in the classroom, at church, and out in town. The character qualities taught at Karate University are an asset in all areas of life.

Not only is this his first year in Karate, it is also his first year in school at Stuard Elementary. As hard as entering kindergarten can be, James has grown in focus and concentration on advancing in belt rank. He has also rapidly gained confidence in his school work, focusing better and trying harder enabling him to advance in his classroom skills quicker all the time.

James loves practicing his karate moves as well as playing football with his dad, wrestling with his dog and playing games of all kinds.

Thank you to Mr. Nuttall and Mr. Burlison for their dedication to Karate and to the kids. We are all enjoying the journey that James is on to future belts and the young man he will become.
