## Kickit' News

### NOVEMBER 2010 STUDENT OF THE MONTH

#### CHASE WHITE

Chase White has been attending The Karate University for over three years and is working toward his Low Brown Belt. He began karate when he was 5 years old. Each belt that he has earned has made him more determined to excel in karate. Chase has also excelled in his school. He has been on AB Honor Roll the last three years including Kindergarten and this year has achieved A Honor Roll. His honors at school also include Most Respectful, Excellent Citizenship, and Perfect Attendance. Chase enjoys assisting teachers and fellow students with their class work and school activities. This year Chase has accepted the opportunity to work with the school.

Along with karate Chase enjoys his seasonal sports such as Baseball and Flag Football. Chase also loves the outdoor activities with his Dad. They relax while watching for deer, turkey, and fishing. Go cart riding, riding his bicycle with friends and riding on the back of his Grandfather's motorcycle are a few of the many things Chase enjoys in life.

We believe that karate has been instrumental in Chase's good leadership skills, respect for other, and a stronger self confidence.

As Chase's parents, we would like to thank Ms. Hamilton, Mr. Burluson, Mr. Micheal, and last but definitely not least, Mr. Nuttall for all their work and encouragement.

Chase we are very proud of you and we love you very much!

## OUR MISSION STATEMENT

- To provide quality training in legitimate, traditional martial arts.
- To uphold the precepts of traditional martial arts.
- To provide a qualified, well trained instructor for every class.
- To provide our students, parents, and guests with a safe training environment free of fear, prejudice, intimidation or harassment regardless of age, sex, race, religion, or disability.
- To follow the tradition of our predecessors, to provide clear and fair standards for advancement, and provide a well disciplined training environment for our students.
- To consistently assist our students in meeting their training goals.
- To be a positive presence in the lives of our students and in the community at large.
- To change the public's perception of martial arts from one of violence to one of peace by instilling a deeper awareness of the value of life, while also teaching the skills necessary to defend life against those who would threaten it.
